

## ECHC Community Team Volunteer Speaker

### About Edinburgh Children's Hospital Charity (ECHC)

ECHC is the charity that supports hospital and healthcare settings for children across Edinburgh and the Lothians. We fund enhancements, provide distractions, support families and so much more. We aim to make the time that children spend in hospital that little bit easier, less scary, and more fun.

Our Fundraising team are vital to the success of ECHC, working hard to raise the money which allow us to support children and families. A valuable and rewarding way to raise awareness and increase support is to tell people about the incredible work done by ECHC to transform the hospital experience for babies, children and young people.

### Volunteer Role Description
