

## ECHC Shop Volunteer Role

### About Edinburgh Children's Hospital Charity (ECHC)

ECHC is the charity that supports hospital and healthcare settings for children across the Lothians. We fund enhancements, provide distractions, support families and so much more. We aim to make the time that children spend in hospital that little bit easier, less scary, and more fun.

We also run the onsite shop in the Royal Hospital for Children & Young People building at Little France which is shared with the Department of Clinical Neuroscience. The shops sell food, drink, basic toiletries and gifts supporting staff, patients and visitors in these buildings.
