

ECHC Shop Deliveries Volunteer Role

About Edinburgh Children's Hospital Charity (ECHC)

ECHC is the charity that supports hospital and healthcare settings for children across Edinburgh and the Lothians. We provide distractions, help pay to make spaces more welcoming and child friendly, support families and so much more. We aim to make the time that children spend in hospital that little bit easier, less scary, and more fun.

We also run the onsite shop in the Royal Hospital for Children & Young People building at Little France which is shared with the Department of Clinical Neuroscience. The shop sells food, drink, basic toiletries and gifts supporting staff, patients and visitors in the building.
